Intro:
           |G D/F# | Em C (repeat)
Verse 1:
           G D/F# |Em C
                                 |G
                                       D/F# |Em C
             It don't have a job
                                   Don't pay your bills
               B7 IEm
                                     C = [G C | G D]
                                    In Beverly Hills
             Won't buy you a home
                                  |G D/F# |Em C
Verse 2:
           IG D/F# IEm C
             Won't fix your life
                                     In five easy steps
                B7 | Em
                                     C |GC|GD
             Ain't the law of the land Or the government
           |D |---- |----
              But it's all you need...
           |G D/F# |Em C
Chorus:
           Love, will, hold us together
           |G C |Em
           Make us a shelter to weather the storm
              |G D/F# |Em
           And I'll be my brothers keeper
                                            ID G
           So the whole world will know That we're not alone
Verse 3:
           G D/F# |Em C |G D/F# |Em C
             It's waiting for you
                                    Knockin' at your door
           |G B7 |Em
                                         C
                                                     IG C
             Every moment of truth When your heart hits the floor
                ID |-----
           And you're on your knees, then
           |G D/F# |Em C
Chorus:
           Love, will, hold us together
                        |Em
           Make us a shelter to weather the storm
              |G D/F# |Em C
           And I'll be my brothers keeper
                                            ID G
           So the whole world will know That we're not alone
